Stainless Steel w/Black Maytag 30 in. Electric Double Oven Freestanding Range

Mfr. model# MER6875BAS

Power cord sold separately
EvenAir™ convection cooking in lower oven uses a 1,850-watt element and fan to keep oven temperature consistent
Versatile double-oven range bakes, broils, toasts and warms and fits in the same space as an ordinary range
Upper oven preheats in half the time and features toasting and self-cleaning functions
Precision Cooking™ System with PreciseBake in both ovens provides even baking and browning with electronic controls, guaranteed preheat, and dual-control bake-and-broil elements
Five Insta-Heat™ cooktop elements: including a unique 12"/9"/6" Triple-Choice™ element, a 9"/6" Dual-Choice™ element, two Flex-Choice™ melting elements, plus a Precision Warming™ Center™
Unique Triple-Choice™ element: a 12", 9" and 6" element in one; match cooking surface to pan size for more even heating
Dual-Choice™ element: a 9" and 6" element in one; match cooking surface to pan size for more even heating
Two Flex-Choice™ melting elements: the flexibility of a full element and a warm setting on one element
Precision Warming™ Center™: the addition of a fifth element to keep foods warm
Super bright digital display: easy to read, even in direct sunlight
Control Lockout option for added safety and cleaning convenience
Power on and hot surface indicator lights for an added measure of safety
Smoothtop glass-ceramic cooking surface wipes clean easily
Upswept cooktop design: raised rim keeps spills from dripping down the side of the range
Extended Protection Plans are available for an additional charge

Basement Wet bar Fixtures

Thermocast Manchester High Gloss Black Cast Acrylic Bar Sink A "Master Collection" traditionally designed Thermocast cast acrylic bar sink with a rich high gloss finish that is easy to clean with non abrasive cleaners. It has the beauty of porcelain with strength of cast iron yet lighter weight. The insulated construction resists stain, rust, oxidation, chipping, and scratches. The surface can be polished with ordinary liquid sink, counter top, or auto polish to maintain beauty and luster. It is versatiliy designed for both drop-in and undermount ready for quick and easy installation. No mounting clips required for drop-in installation. Plumbers putty for drains and silicone sealant for perimeter of sink is all thats needed. All Thermocast brand cast acrylic sinks are certified by the National Association of Home Builders
